EDUCATION

University of California, Davis

B.S in Design & Computer Science Minor

Expected May 2027

GPA: 3.1/4.00

Relevant Coursework: Rhino 8, UI/UX Design, Interactive Media, Graphic Design & Computer Technology, Forms and Color, Design Drawing, C/C++, Discrete Math.

RELEVANT SKILLS

- **Design Tools:** Rhino 8, Figma (Advanced Prototyping), Miro, Wireframing, Adobe Creative Suite (Photoshop, Illustrator, Lightroom), User Research & Personas.
- **Engineering:** React, JavaScript (ES6+), HTML5, CSS3 (Tailwind CSS), C++, C, Supabase, VS Code IDE

HIGHLIGHTED PROJECTS AND EXPERIENCE

Creative Technologies | Re/Fill (UC Davis Research Conference)

Spring 2025 - Present

- **Innovation:** Designed a physical retrofit solution for water accessibility, mirroring Tesla's mission for sustainable product innovation and hardware integration.
- **Prototyping:** Researched social equity and infrastructure to develop a cost-effective mouthpiece prototype, integrating physical form with user-centric functionality.
- **Impact:** Iterated design through multiple stages of prototyping and presented findings at the 26th UC Davis Research Conference to influence future sustainability infrastructure.

Full-Stack Developer | Campusconnect (GitHub)

Spring 2025 - Fall 2026

- **Development:** Architected a service-sharing ecosystem using React and Tailwind CSS, demonstrating the high-level frontend development skills required for modern UI platforms.
- **Functionality:** Engineered core features including user authentication (Supabase), provider service listings, and complex appointment booking logic.
- **Testing:** Built and validated filtering/display logic using mock data to ensure a seamless user experience and robust state management before database integration.

ColorStack | Web Development Project Manager

Spring 2025 - Fall 2026

- **Leadership:** Lead 5 developers through full-cycle web development, managing technical sprints and workflows to ensure consistent delivery of project milestones.
- **Technical liaison:** Translated complex visual requirements into functional, responsive React components.
- **Inclusivity:** Fostered an inclusive design and development environment by encouraging team members to contribute ideas and lead solution strategies, increasing team participation and ownership of project outcomes

#Include UC Davis | Design Cohort & Social Media Visuals Manager

Spring 2026 - Present

- **Interaction Models:** Redesigning the Juvenile Caduceus Clinic interface using Figma, moving from competitive analysis to mid-fidelity prototypes and high-fidelity UI.
- **Design Integrity:** Developing unified user personas and design systems for Home and Timeline pages to ensure a consistent, accessible design language across the platform.
- **Visual Aesthetics:** Serve as the primary visual manager, utilizing Adobe Lightroom to maintain high-quality visual standards that align with the organization's brand identity.

CERTIFICATIONS & RELATED EXPERIENCE

- **Coursera:** UI/UX Wireframing and Prototyping with Figma, Intro to Front-End Development & Intro to JavaScript
